Youth Job Center

Getting a job. Launching a future.

Thank you for your interest in supporting Youth Job Center,

Below are several examples of suggested bequest wording which you may share with your legal counsel if you would like to make a gift to Youth Job Center (YJC) through your will or living trust. Because each individual situation is unique, we encourage all donors or their legal counsel for guidance on appropriate language to effectuate your charitable intentions, especially if you intend for your gift to be restricted for a specific use. Thank you for considering including Youth Job Center in your estate plans.

To Youth Job Center, unrestricted:

"I give to Youth Job Center, a nonprofit workforce development agency in Evanston, Illinois the sum of \$_____ (or _____ percentage of my estate) to be used by Youth Job Center for its unrestricted purposes."

Gifts for restricted purposes require the approval of the YJC Board of Directors. Upon approval, please indicate the restricted purpose of the gift:

"I give to Youth Job Center, a nonprofit workforce development agency in Evanston, Illinois the sum of \$_____ (or _____ percentage of my estate) to be used for the support of (insert approved purpose)"

This sentence is absolutely crucial to include if there is any restriction placed on the use of the gift. If circumstances are such that it is impossible, impracticable, or inadvisable to use the gift for the purpose described in the will or living trust, this language makes it possible for Youth Job Center to use the gift instead for its general purposes. In such a case, YJC would be mindful of the donor's original charitable intention when selecting an appropriate alternate use.
